Specialised Number Call Tariff

Specialised numbers are defined as calls to non geographic numbers such as Premium Rate services, Directory Enquiries and calls to Internet Services.

Calls of this type are charged in one of four ways:

1. Calls that are charged by the length of time you are on the phone. The pence per minute price also varies according to the time of day (eg 070056).
2. Calls that are charged by the length of time you are on the phone but where the rate you pay does not vary by the time of day (eg 0871550).
3. Calls that attract a one-off fee, and a pence per minute price which varies according to the time of day (eg 090117).
4. Calls that attract a one-off fee irrespective of the length of time that you are on the phone. The charge may or may not vary according to the time of day.
